### Cancellations

Cancelled classes are billed at a reduced rate of \$50/hr. Parents are required to email the student's teacher(s) and the campus administration prior to the start of the scheduled session.\* If a class is cancelled after the scheduled start time, it is considered a No Show and billed at the full rate. Students may not cancel their own classes. Email only (not a phone call) from a parent is required for all cancellations.

*\*To find a teacher's email address, please see instructions in the Parent Login Information document attached to the Welcome Email. Contact the administration at: [adminmarin@tildenprep.com](mailto:adminmarin@tildenprep.com)*

Cancellations	
Cancellation Rate	\$50.00/hr
No-Show Rate	Course Hourly Rate

### Vacations

We strongly encourage families to take their planned vacations before the start of the student's summer course(s) or after the course(s) have been completed. Should a vacation occur in the middle of a summer course, all cancelled classes will be billed at the above Cancellation Rate of \$50.00/hr. We are not able to make courses inactive to accommodate vacations.

### Group Class Cancellations & Vacations

All group class students must coordinate any planned absences or vacations in advance to coincide. In the event that one student is out and proper notice is provided prior to the start of class, the absent student will be charged \$50/hr, and the remaining student(s) are billed at a rate corresponding to the number of students present. The absent student may need a makeup session, which will be billed at the one-to-one rate.

## WITHDRAWAL POLICY

Withdrawal is when a student inactivates a course/tutoring after a schedule is confirmed and prior to completion or scheduled end date. We require a two-week notice of withdrawal. Notice must be submitted by email to [adminmarin@tildenprep.com](mailto:adminmarin@tildenprep.com). Upon withdrawal your Schedule Deposit is forfeited, or applied to the final two weeks of the course/tutoring.

If notice is given after your schedule has been confirmed but prior to your scheduled start date, your Schedule Deposit is forfeit.

## ADDITIONAL COURSE INFORMATION

### At-Home Instruction

Though rare, Tilden offers at-home instruction. The at-home option is limited based on teacher availability. If available, we are only able to schedule at-home instruction at the beginning or end of the teacher's day or at a home very close to campus.

### Travel Time

Travel time is charged in addition to instruction time based on the teacher's usual commute from/to home or work. The cost of travel time for group classes is divided by the number of students in the class (e.g., 60 minutes of travel = \$105.00 billed at \$52.50 each for two students).

Payment is required four weeks in advance for all services. All unused funds will be reimbursed by the 15<sup>th</sup> of the month following your student's final course completion. We accept checks, cash, credit cards (additional 2% fee applies), and wire transfers (additional bank fee of \$16 applies).

We do not mail or email bills. Instead, you will receive a notification email when your register balance falls below a certain amount. Notifications are sent at \$1000, \$500 and \$250 for full-time students or at \$500 and \$250 for part-time students. Please make sure that your payment is mailed in time to reach us before your register reaches \$0. You will receive a notification email if the register drops to \$0. If your student is still taking courses at Tilden, it is essential that you bring payment that day in order to continue your student's courses or

they will be put on hold until payment is made. If this occurs, we cannot guarantee that your student will have the same teachers or class times when classes resume.

## ADDITIONAL DETAILS

### Substitute Teachers

In the event of a teacher absence, we will schedule a substitute for your student for the course to stay on track. If you do not wish to have substitutes, please let us know on the registration form.\* While we make every effort to arrange for substitute teachers, on occasion we may be unable to find a substitute teacher in time for your student's class. We will inform you and your student if this occurs and they will be able to join the study hall for that hour at no extra charge.

*\*Please note that unless you have indicated a preference for "No Substitutes" at the time of registration, a substitute will be assigned if available. If a substitute is assigned, a same-day cancellation of a class with an assigned substitute will be considered a cancellation, billed at the reduced rate.*

### Placement Tests

Please note that if your student is taking this course in preparation for a placement examination, there is no guarantee that the student will be able to pass the exam.

### Estimated Course Length

Tilden Preparatory School is a mastery learning program, which means that your student will work to reach an 80% (B-) or higher level of mastery in the course material. We can only estimate course length and are not able to guarantee how long any individual student will take to reach this level of mastery. Estimated course lengths range from 30 to 55 sessions per semester, depending upon the course. Please see the Parent and Student Handbook (page 6) for estimates of course length for specific courses.

### Unfinished Summer Courses

If your student has not completed one or more summer courses by the end of our summer session, they will have the option to continue into the following school year until the courses are completed. In such cases, the student will need to transition to our school year schedule and cannot be guaranteed the same instructor or schedule for the course. Please see our 2020-2021 Policies and Fees document for additional information regarding scheduling during the school year.

### Transferring Credit to Your School of Record

If Tilden is not your student's school of record, we advise you to obtain a written agreement from their high school guidance counselor before instruction begins for any course that will fulfill credits toward high school graduation. It is your responsibility to communicate with your student's school and know the policies about taking summer courses at other schools. Some schools have concurrent enrollment forms available; if they do not, a concurrent enrollment form can be sent upon request.

### Transcripts

Upon completion of courses, you may request an unofficial transcript for your records or an official transcript to be mailed directly from Tilden Preparatory School to your chosen institution(s). Please email our Student Affairs Coordinator, Kara Koehler ([karak@tildenprep.com](mailto:karak@tildenprep.com)) with all transcript requests.

**Tilden Preparatory School Marin is excited to announce that beginning Fall 2020 we will be transitioning to our own, stand-alone school, Headlands Preparatory School. Headlands Prep will continue to be a one-to-one individualized educational environment focused on academic mastery, personal growth, and community engagement.
