Other Scheduling Requests: _____

*We will do our best to accommodate your request. However, we cannot guarantee any specific instructor or time slot, as schedules are assigned on a first-come, first-served basis for students starting classes at the beginning of summer session. **Please do not include vacation dates on this form.** Please email admin and your student's teachers with your vacation dates once your student's schedule has been finalized.*

Group Classes

Though our instruction is primarily one-to-one, parents may choose to coordinate their own small group classes of up to three students per group. Students should have similar learning styles and paces in order to progress through the material effectively. Tilden reserves the right to split up students if the instructor feels that they are not working well together or if one student is struggling to keep pace with another. All students must follow the same class schedule and must coordinate any planned absences in advance to coincide with each other.

Vacations, Absences, and Cancellations During Summer Term

We do our best to accommodate vacations and cancellations while also ensuring that our teachers' schedules are consistent. For this reason, **we allow classes to be cancelled within the summer session at a reduced rate of \$50/hr. To notify us that a student will be absent, parents are required to email the student's teacher(s) and the campus administration prior to the start of a scheduled class to qualify for the reduced rate cancellation charge. If proper notice is not received, the regular hourly rate per missed hour of instruction will apply.**

Students may not cancel their own classes. Email only (not a phone call) from a parent is required.

To find a teacher's email address, login to the progress reporting system. For instructions, consult the Parent and Student Handbook, page 15. Contact the administration at the following address:

Parent Consent Form – Summer 2020

We are happy that you have chosen to enroll your student at Tilden Preparatory School for the summer of 2020. Due to the combination of one-to-one and small group instruction and our mastery learning approach, we consistently see students make tremendous gains in their knowledge, study skills, and feelings of confidence and self-esteem. We have also found that as this approach is different from what parents are accustomed to, there can occasionally be misunderstandings. Please download and review our “Parent and Student Handbook” and “Policies and Fees” from tildenprep.com. Below are some aspects of our program that we would like to make sure you fully understand and agree to. **Please initial each point below:**

_____ I understand that **Tilden is a mastery learning program** and the teacher will work with my student until they reach an 80% or higher level of mastery of the subject matter. If the pace is slowing down because of difficulty with this level of mastery, and if a mastery level of 70% (C) is acceptable to all concerned, Tilden will make this accommodation by written agreement.

_____ I understand that mastery learning means **my student’s course may take more or less time than the estimated number of hours per semester** noted in the Parent and Student Handbook (30-35 for most courses, 36-40 for lab sciences, 45-55 for AP courses). **Completion rates vary based upon homework completion, attendance and timeliness, maintaining focus in class, prerequisite subject knowledge, and/or learning challenges that affect acquisition of course material.** I understand that a repeated course may take less time than a new course, but this is dependent upon how much mastery was achieved and retained in the original course as well as factors noted above.

_____ I understand that **Tilden can never guarantee an “A”**. Sometimes students who have received a “B” have a desire to work longer with the hope of raising their grade. If a student has retaken a final and has not successfully raised their grade from a “B” to an “A”, before they make a third attempt, there will be a conference with the parent, student, and Head of School to assess the student’s genuine interest in the material and readiness to work to a higher level of understanding.

_____ I understand that **there is a \$200 non-refundable summer deposit due with registration forms**. If I have an existing Tilden account with funds exceeding the deposit due, I agree that the deposit may be deducted from my account. This deposit will be applied toward tuition and fees when the student begins their course(s). Registration forms will be processed and students will be scheduled only after the deposit has been received.

_____ I understand that **tuition is paid four weeks in advance** (based on estimated hours of instruction) for all classes **and that an additional four weeks deposit at the rate of \$50/hr is required**. I understand that while my student is enrolled in summer term at Tilden, I will receive an email when my register has \$500.00 left in it to give me plenty of time to send payment and again when it is at \$250.00. I understand that once my register reaches \$0, I have until 5:00 p.m. to make a payment, and that **if I do not make a payment by 5:00 p.m., my student’s class(es) will automatically be put on hold until I am able to do so**. I understand that if this occurs, Tilden cannot guarantee that my student will have the same teachers or time slots once the classes are reactivated.

_____ I understand that **it is my responsibility to log onto my student’s progress reports** to see how they are doing in their course(s). Please refer to the Parent Student Handbook for instructions on accessing the progress reporting system.

_____ I understand that **if my student will miss a class, I must notify my student’s teacher(s) and school administration by email prior to the start of class** in order to avoid being charged the full rate per cancelled class hour. I understand that cancellations with proper notice will be billed at the reduced rate of \$50/hr.

_____ I understand that **if I need to discontinue courses or cancel my reserved schedule, I need to provide four weeks, excluding school closures, written notice by email to the Heads of School. I understand that I am responsible for four weeks (20 school days) of payment** at the rate of \$50/hr should I choose to discontinue my class and my student does not attend.

_____ I understand that if my student’s teacher is absent, **Tilden will make every effort to arrange for a substitute teacher unless I designate my preference for no substitutes on this form**. If a substitute teacher is assigned and my student will be absent, I understand that I need to email the substitute and administration before the start of class to be charged the reduced fee of \$50/hr.

_____ I understand that emails and/or phone calls to teachers beyond occasional, brief questions **will be billed at the regular hourly rate**.

_____ I understand that Tilden has a strict policy regarding cell phone use in school. **If my student takes a cell phone out during class or study hall, my student’s cell phone will be taken** for the remainder of the day and a parent will be notified. On a third occurrence, my student will be sent home for the remainder of the day and I will be charged for any remaining classes that my student has scheduled that day.

_____ I understand that **Tilden has a policy on academic integrity** and that if my student is found to have violated this policy, they will be subject to appropriate consequences as determined by the instructor and Head(s) of School.

_____ I am aware that **Tilden will create a course schedule for my student based upon the information I provide.** I agree to carefully review the course schedule that is provided for my approval before my student begins coursework.

_____ I understand that if I request an atypical schedule and Tilden is able to accommodate it, **the school may need to shift it in the future.**

_____ I understand that if my student has not signed the handbook acknowledgement below, **a signature will be collected on the first day of class.**

_____ I understand that by signing this and other Tilden Preparatory School enrollment forms, **I acknowledge that I am responsible for knowing and understanding this information.**

_____ *Walnut Creek campus only:* I understand that **stopping to drop off a student in the thoroughfare in front of the school is strictly prohibited.** All student drop off or pick ups must be at a metered parking spot, parking lot, local parking garage, or library lot.

I have read and fully understand the Tilden Parent Consent Form.
